1. In connection with paragraph three of reference you may be interested to know that Identity 1 informed me of the following during my recent visit in Germany:

On either April 23 or 24, 1956, Identity 1 gave a farewell dinner in Bonn for Boris MEISSNER, of the German Foreign Office prior to the latter's departure for Moscow. This dinner was attended by a number of highly placed Federal Republic officials among them a representative of State Secretary Ritter von LEI. This representative, who may well have been Subject, requested that Identity 1 make available the results of () analysts interpretation of the 20th CPSU Congress to assist the work of a new unit in the Interior Ministry which is directed to counter communist subversion in the Federal Republic.
